

# Yearbook

We will work with you and your yearbook publisher to ensure the correct specifications and file format requirements are met. Schedule dates for your school's photo shoot and sit back. We will handle the rest.

# Prom

We will have a photographer on site to take photos for your school's prom. We can also offer additional assistance to your school with options for invitations and party favors if requested.

# Graduation

Graduation pictures will also be taken at the photo shoot so your students have the opportunity to order portraits and preserve school memories and achievements. During the photo shoot, Sunshine will take multiple shots with a variety of poses and backgrounds. Proofs will be sent to the students and will also be made available online. Orders will be taken by mail, by phone, or online.
